Social media buttons enable sharing to Facebook and Twitter from the Booth, or send yourself a link to share on Instagram!

Our most fun, interactive and social booth yet, GIF Booth is perfect for events, product launches, in store promotions and more!

Encouraging Social Engagement

- The Gif Booth is FUN and super social – who can resist a gif!?
- The perfect medium to encourage interaction with brands and products.
- Designed for social sharing, spreading event videos all over social media.
- Get event #hashtags trending to reach more customers.
- Collect customer information and social sharing data for reporting and remarketing.

Hiring the GIF Booth

Choose from two setups when using the GIF Booth in your store or at your next event! Use the social option for a simple but awesome customised experience; snap GIFs and share straight to social media. Or, take things a step further with The Enterprise to enable SMS and capture valuable demographic information from users.
